Academic Courses in Innovation, Entrepreneurship and IPR

| Academic year | Title of Course                                     | Course Code | Type of Course  | Level of Course(UG/PG/PhD) | Course Offering Department/Centre/ UnitName | Total Credit Score |
|---------------|-----------------------------------------------------|-------------|-----------------|----------------------------|---------------------------------------------|--------------------|
| 2024-25       | Entrepreneurship IPR Start UP                       | 22ED101     | Core Course     | UG                         | Mechanical Engineering                      | 3                  |
| 2024-25       | Experimental Project Based Learning                 | 22TP708     | Core Course     | UG                         | Information Technology                      | 3                  |
| 2024-25       | Entrepreneurship Development                        | 22ME516     | Elective Course | UG                         | Electronics and Communication Engineering   | 3                  |
| 2024-25       | Research methodology and IPR                        | 22PRM01     | Core Course     | PG                         | Electronics and Communication Engineering   | 3                  |
| 2024-25       | Design Thinking                                     | 24EN102     | Core Course     | UG                         | Artificial Intelligence and Data Science    | 3                  |
| 2024-25       | Universal Human Values I- Student Induction Program | 24UH101     | Elective Course | UG                         | Science and Humanities                      | 0                  |
| 2024-25       | Universal Human Values II – Understanding Harmony   | 22UH102     | Elective Course | UG                         | Science and Humanities                      | 3                  |

|         |                                                                          |         |                 |    |                                           |   |
|---------|--------------------------------------------------------------------------|---------|-----------------|----|-------------------------------------------|---|
| 2024-25 | Universal Human Values and Professional Ethics                           | 22UH102 | Elective Course | UG | Science and Humanities                    | 3 |
| 2024-25 | Product Design and Development                                           | 22ME519 | Elective Course | UG | Mechanical Engineering                    | 3 |
| 2024-25 | Aircraft Design Project                                                  | 22AE701 | Core Course     | UG | Aeronautical Engineering                  | 3 |
| 2024-25 | Aero Modeling and Flight Simulation Laboratory                           | 22AE419 | Core Course     | UG | Aeronautical Engineering                  | 2 |
| 2024-25 | Intellectual Property Rights                                             | 20ME509 | Elective Course | UG | Mechanical Engineering                    | 3 |
| 2024-25 | Design and Fabrication of Aircraft Model                                 | 22AE703 | Core Course     | UG | Aeronautical Engineering                  | 2 |
| 2024-25 | IPR for Pharma Industry                                                  | PY8015  | Elective Course | UG | Pharmaceutical Technology                 | 3 |
| 2024-25 | Professional Readiness for Innovation,Employability and Entrepreneurship | 22EC530 | Elective Course | UG | Electronics and Communication Engineering | 3 |
| 2024-25 | Entrepreneurship Management                                              | 20PT530 | Elective Course | UG | Pharmaceutical Technology                 | 3 |
| 2024-25 | IPR in Pharmaceutical Industry                                           | 20PT503 | Elective Course | UG | Pharmaceutical Technology                 | 3 |
